RIDGELINE

# Smart Storage

Protect your storage spaces and everything they contain with **RIDGELINE** liners by Syntec Industries. This super-durable matting is made to look good and hold up against serious wear and tear.

**RIDGELINE** liners are perfect for:

- Storage spaces of all sizes
- Ski lockers
- Engine compartments
- Glove boxes
- Side panels and gunnels

## Choose **RIDGELINE**

**RIDGELINE** helps keep your boat clean and clutter-free. It gives storage compartments a finished look and provides protection for skis, wakeboards and other water toys. As an added benefit, **RIDGELINE** even helps reduce engine and equipment noise. Manufactured of closed cell foam to be extremely durable, this exceptional liner will not mold or mildew.

- Noise reducing liner
- Easy maintenance
- Extra protection for water toys
- Available in black with plain or pebble texture
