Always with an eye toward innovation, Gussi Italia is proud to introduce ***Power Wings***, an elegantly crafted extension unit that nestles behind our steering wheels. ***Power Wings*** gives your customers complete control, putting boat lighting, media, trim tabs, anchor, horn and other dashboard features right at their fingertips.

- Molded from ABS Plastic and Stainless Steel
- Up to 14 total customizable control locations
- Laser etched, backlit console icons corresponding to user activity

Elegantly designed and easy to install, ***Power Wings*** let your customers take control – without taking their hands off the wheel.
