SENSATIONS LIMITLESS DESIGN BY SYNTEC

FLEX

GUSSI ITALIA

1 **Gussi® Italia Steering Wheels**
Handcrafted in Italy from premium materials with options such as hand-stitched leather, these wheels deliver a refined, high-end helm centerpiece.

2 **reFLEX by Syntec**
Non-skid polyethylene traction foam designed for all areas of your boat to offer comfort, safety, and durability.

3 **Sensations® by Syntec**
Jacquard-woven materials with rich textures and colors, ideal for flooring, wall coverings, and upholstery—all with low-maintenance performance.

4 **OMNOVA Solutions**
Syntec's partnership with Omnova offers high-performance marine materials engineered for UV resistance, mildew protection, and flexibility in demanding outdoor conditions.

5 **Ridgeline by Syntec**
Durable storage protection for gear and equipment. Keeps spaces organized, secure, and free from mold and mildew.

6 **Marine Carpet**
A trusted industry staple for over 40 years—delivering lasting durability, comfort, and resistance to mold and mildew.

7 **Mat Kits**
Custom mats in Marine Carpet, reFLEX, or Sensations®. Snap-in design with various backings for water resistance and easy cleaning.

8 **Needlepunch**
Lightweight, durable, and easy to install—Ideal for multiple applications such as hull sides, storage compartments, trailer bunks and cargo areas.

9 **Adhesives**
Custom-formulated solutions including water-based, solvent, and hot-melt options—available in sizes from one gallon to bulk containers.

ON THE WATER. IN YOUR CORNER.
